FULTON COUNTY PERSONNEL BOARD

ORDER

1.

The appeal of Mitnee Jones was heard by the Personnel Board on December 2, 2004. Ms. Jones was appealing her dismissal for cause which was effective September 29, 2004.

2.

During the hearing, the Personnel Board carefully considered all testimony and evidence presented by both the Appointing Authority and the Appellant.

3.

After hearing all of the testimony and evidence presented by the parties, the Personnel Board decided that the dismissal was not based upon personal, political or religious motives. However, the Personnel Board further decided that because of certain exculpatory testimony which was introduced during this hearing, carrying sufficient quality of proof and having fitness to induce conviction of truth, consisting of facts and reasons, the Personnel Board hereby finds in favor of the APPELLANT.

The Personnel Board therefore orders and directs that this dismissal be canceled and voided. The Board further orders and directs that the payroll and personnel records in this case be adjusted and

In accordance with Section 9(d), Civil Service Act of 1982 and PR-900-9, this order is final and conclusive, absent an appellate review in the Superior Court of Georgia, under certiorari proceedings.

4.

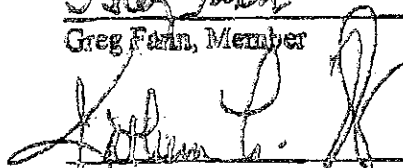

It is hereby ordered and directed that copies of this Order be placed in the permanent records of this Board and in the employee's official personnel file, and furnished to all parties at interest.
